Help Us Find These Members - 2016

Capital Credit Checks Returned in 2016 (Capital Credits from 1992 & portion of 1993)

In 2016 our Board of Directors authorized a general retirement of capital credits earned during 1992 and a portion of 1993. Active members in 1992/1993 received a bill credit or check. (Remember, capital credits are margins we earn that are allocated back to you each year because we are non-profit and member-owned.)

Members who no longer have service with us were mailed a check. The names listed here represent checks that were returned to us. If you know any of these members, or the executors of their estate, please have them email info@menard.com or call 800-872-1203 and ask for Michelle. This list was also published in the September 2016 Connect to MEC newsletter.
