# MENARD ELECTRIC COOPERATIVE

14300 State Highway 97 – P.O. Box 200 - Petersburg, Illinois 62675-0200  
217/632-7746 800/872-1203

The Minimum Monthly Charge under this rate shall be the above facility charge for service requiring twenty-five (25) kVA or less of transformer capacity. For services requiring more than twenty-five (25) kVA of transformer capacity the Minimum Monthly Charge shall be increased \$1.00 per kVA over twenty-five (25) kVA. Payment of the Minimum Charge shall entitle the Member to the use of the number of kilowatt-hours corresponding to the Minimum Charge in accordance with the above rate. Where two or more services are being served from the same transformer, each service shall be regarded as requiring twenty-five (25) kVA or less of transformer capacity.

## **LOAD MANAGEMENT CONTROL:**

Supplemental electric heating devices are subject to the Cooperative's load management control.

The Cooperative will, at its expense, install a radio controlled device in the water heater circuit at/or near the electric water heater. The electric water heater will be subject to control during any month of the year. The control period will not exceed five (5) hours in any day. The load management control will be removed at the request of the member. Upon removal of the control device credits applicable to the member under this rider will cease.

## **UTILITY TAX:**

All charges made under this schedule for electric energy are subject to the prevailing Illinois Public Utility Revenue Tax.

## **TEMPORARY SERVICE:**

Temporary Service shall be supplied in accordance with the above rate except that the Member shall pay in advance, in addition to the foregoing charges, the estimated cost of construction and retirement of the service less the value of materials returned to stock. The Cooperative may also require a deposit in advance in the amount of the estimated energy bill for this service. (*Temporary Service is defined as a service that in the opinion of the Cooperative will be of a shorter duration than five (5) years.*)

## **POWER COST ADJUSTMENT:**

The Cooperative may apply the Power Cost Adjustment to recover changes in wholesale power cost in accordance with Schedule PCA.

## **TERMS OF PAYMENT:**

Electric bills are due and payable when presented. Payment should be made within ten (10) days. If payment is not received within twenty-one (21) days after the date of the original bill, a "Last Reminder" will be sent for which one and one-half percent (1 1/2%) on the unpaid balance or a minimum of \$1.00 will be added to the Account. If payment is not received by the Cooperative before the Collection date shown on the "Last Reminder", the Collection Policy for overdue accounts will be in effect.

This rate is subject to the provisions in the Cooperative's Line Extension Policy.
